v.

Motion for  
Enlargement  
of Time

Gene Clark  
Defendant

Civil Action No. 4:21-cv-00122

As I explained in my motion to compell, I don't see how I can be expected to meet the discovery deadline of June 8<sup>th</sup> 2022. When I can't get any cooperation from the defense. I sent those signed release forms to the defense like you instructed me to do Your Honor and have heard nothing. With that, combined with what I listed in my motion to compell, the defense has left me no choice but to ask for this motion Your Honor. My witnesses I listed in my motion to compell are a very intricate part of my case Your Honor. Other than the information and records I'm waiting for the defense to produce, my discovery is ready and you have it already Your Honor. I'm ready for trial sir, if that's the next step.
